

November 2024

Dear Ridge School Families,

We are thrilled to share exciting details about our upcoming Winter Concert on **Friday, December 13th!** Your child is set to dazzle on stage with a mix of music and poetry reflective of this special time of year.

As the whole school is performing on the same day, please take note of the following schedule:

Grade Level	Concert Time
Kindergarten and First Grade	9:30
Second and Third Grade	10:30
Fourth and Fifth Grade	11:30
RISe Students	2:15

As this is a special event, it is requested that your child be dressed in appropriate attire. Slacks, dresses, and collared shirts are all acceptable. The exception is footwear – sneakers are permitted, especially since the children will be at recess during the day. You may also provide your child with a change of clothing.

For families with siblings in the building, they will be called to join the concert. To make things smoother for everyone, we ask that you reserve a chair for your other child(ren) in the gym, allowing you to provide appropriate supervision.

If you have any questions or need further information, please contact me.

Sincerely,

Dr. Pecorelli
